CONGRATULATIONS on being accepted to the UW-Eau Claire study abroad program: Tales of King Arthur in England during Summer 2020! Living and studying in a foreign culture is both an exciting and a challenging experience. Past participants of study abroad report that the many advantages of international study include:

- Building upon existing foreign language skills
- Gaining new perspectives on a chosen academic field
- Increasing understanding of different cultures
- Enhancing personal development
- Developing different perspectives on U.S. culture
- Gaining self-confidence and independence
- Learning skills for the future international job market

It is up to you to determine how you can best benefit from these possible advantages. This is your experience!

This program guide is to be used together with the general Faculty-Led Study Abroad Handbook. The Handbook contains information that is pertinent to all faculty-led, short-term study abroad programs. This guide will provide you with specific information for the India Summer program, complementing the Study Abroad Handbook, study abroad orientation, and your individual pre-departure preparations.

Please realize that although this guide was written to help you better prepare for your time abroad and contains all of the information available at the time of printing, it is impossible for any single resource to answer all of your questions. We strongly encourage you to contact your faculty leaders, the Immersions staff, and past program students on campus with your specific questions. You should also make use of the additional written and web resources listed near the end of this guide.

Basic questions only you can answer include:

1) What are YOUR goals for this experience? Common objectives of students abroad include advancement in future profession; desire to expand personal and academic horizons; need for a change; and the wish to challenge one’s self by being immersed in a new culture.

2) Given the way the program is set up, how can you best prepare to meet your goals? For example, if one of your goals is to truly be immersed in British culture—but the program is quite short, how can you best meet your goal?

The information in this guide was current at the time of printing, though changes may occur at any time.
GENERAL INFORMATION

The Program
This three-week program will be led by English professor, B.J. Hollars, and Physics and Astronomy Professor, Dr. Paul Thomas. This legendary immersion program will bring you to historic Winchester, England, home of the fabled “round table” to gain a hands-on foundational understanding of the myths and realities of King Arthur and his court. In addition to multiple day trips including London, Stonehenge, and historic Glastonbury, you will find yourself in Tintagel, the birthplace of the legend of King Arthur—and Arthur, himself. You will conclude the program in Tintagel and return to London to fly home.

The Location

This course will begin at the University of Winchester, a long-time study abroad partner institution of UW-Eau Claire. This is an ideal setting for this course, with the city containing one major Arthurian artifact (the supposed Round Table), and it is also the historical Saxon capital of England. Winchester is also the former home of King Alfred, often considered a model for King Arthur and the related legends, making this location even more ideal. Winchester also serves as the ideal transportation hub for the various off-site visits that will take place.

The first of four excursions will bring students to London, the political, economic, and cultural capital of the U.K. After returning to Winchester from London, students will then enjoy a field trip to the mystical Salisbury Plain, home of Stonehenge. A third field trip takes students to historic Glastonbury, a small town known for its linkages to King Arthur and the Holy Grail. The final days of the program bring students to Tintagel, a small town nestled along the Atlantic coast in Cornwall teeming with Arthurian folklore and history, serves as the perfect location to end the program. Students will travel directly from Tintagel to London to fly home.

ACADEMICS

There is additional information on academic topics such as registration, class attendance, credits and course load, grades, and transcripts in your Study Abroad Handbook.

Program Prerequisites
To participate in this study abroad program, you must be in good academic standing and have the minimum required GPA of 2.3. The Immersions Office checks grades at the end of the semester prior to departure. If you are on probation, we will need to check with the faculty leader(s) to see if you will be allowed to participate. If you have been suspended, you will not be allowed to participate in the program.

Pre-departure Orientation and Academic Planning
Attendance at the October 12th Orientation is required. There will also be three additional pre-departure mandatory meetings during the spring semester, and times and days will be announced by your Faculty Leaders. You will be engaged in several readings, research, and writing assignments throughout the semester.

Students will complete several assignments while traveling that require working individually and in groups. These assignments include blog posts, partner presentations, and a critical essay/creative work. As students engage in discussions, visit museums, and study sites related to the history and cultural significance of King Arthur, they will be asked to analyze diverse perspectives of, or viewpoints on, past events or historical understandings and interpretations of King Arthur.

Upon successful completion of the program, you will earn 3 credits of ENGL 272 (Perspectives in Popular Texts) upon completion of all course requirements (students earning a B.A., B.F.A. or B.M degree in the College of Arts & Sciences cannot use study abroad to fulfill their foreign language/foreign culture requirement. See the university catalog for details). ENGL 272 fulfills the Responsibility Outcome 2 (R2): Global Perspectives as well as the Knowledge Outcome 3 (K3) requirement upon completion of all course assignments.

Credits and Grades
Class attendance and participation in the spring meetings and in program lectures, discussions, writing assignments, and excursions while in England is required of all students and will be considered for your final course grade. You are expected to actively participate in all activities on the itinerary.

Credits earned abroad on this program are considered UW-Eau Claire resident credits. The class you take abroad will count towards the total credits needed for graduation, and the grade will
be figured into your GPA. You cannot take any credits pass / fail.

The UW-Eau Claire Faculty Leaders will issue grades for the course using the usual UW-Eau Claire A-F grading scale. Grades are typically not available until late February after you have submitted your final assignment.

**MONEY MATTERS**

*Information about how payments are made, when they are due, withdrawal / refund deadlines, financial aid, scholarships, and budgeting is in your Study Abroad Handbook.*

**Costs Paid to UW-Eau Claire**

The estimated total UNDERGRADUATE Wisconsin resident cost to participate on the summer 2020 Tales of King Arthur in England immersion program is **$4,213.00**.

<table>
<thead>
<tr>
<th>Tuition/Fees (WI res, 3 credits)</th>
<th>$1,073</th>
</tr>
</thead>
<tbody>
<tr>
<td>Program Fee</td>
<td>$2,250</td>
</tr>
<tr>
<td>Application Fee</td>
<td>$ 30</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$3,353</strong></td>
</tr>
<tr>
<td>FLIIE Funding</td>
<td>-$1,500</td>
</tr>
<tr>
<td><strong>Total Estimated Cost Paid to UWEC</strong></td>
<td><strong>$1,853</strong></td>
</tr>
</tbody>
</table>

The estimate is based on a Wisconsin undergraduate Wisconsin resident charge for summer 2020. Minnesota students add reciprocity; non-residents will pay non-resident tuition; graduate / MBA students will pay graduate/MBA tuition.

**Estimated Additional Costs**

<table>

<th>$160</th>
</tr>
</thead>
<tbody>
<tr>
<td>International Airfare (MSP to London)</td>
<td>$1,200</td>
</tr>
</tbody>
</table>

**Total Additional Estimated Costs**

**$2,360**

**Total Cost Estimate**

If you add up everything you will pay to UW-Eau Claire, and estimated additional costs, the total comes to **$4,213 for an undergraduate UWEC student**. This cost is based on twelve student participants. **All costs are estimated and may change due to exchange rate fluctuations and / or participant numbers.**

**Program Fee: What does it cover?**

- In-country transportation to, from, and around Winchester, London, and Tintagel and all field trips and program excursions
- Cultural and academic visits to historical and cultural sites included in itinerary;
- Housing in Winchester, London and Tintagel at hostels in shared bedrooms for the entire program;
- Breakfast at the hostel in London;
- International travel insurance with CISI.

**FLIIE Funding**

This program is supported by Blugold Commitment FLIIE (Faculty-led International Immersion Experience) Funding for undergraduate UWEC students. While students are encouraged to participate in multiple high-impact immersion programs, each student is eligible to receive BCDT funding for only one FLIIE experience. Graduate and non-UWEC students are not eligible to receive this funding. Blugold Commitment funding is not able to cover the entire costs of the program, but will contribute $1,500 per student toward the program fee.
Financial Aid
To receive summer financial aid, you must be enrolled for at least six credits during the 11-week interim/summer period. With at least six credits, you have "half-time or more" status for aid. Room and board can then be considered in your budget, and you may be eligible for a Direct Ford Loan. Consult the Financial Aid Office if you have questions about summer financial aid for study abroad.

Program Refunds from UW-Eau Claire
The $30 application fee is non-refundable. The $150 deposit is non-refundable except in the case of a documented medical or family emergency. The withdrawal deadline for the program is March 1. No refunds are available after March 1, and if you withdraw after March 1, you will still be required to pay all program costs and any funds already committed on your behalf, up to the full program cost. All withdrawals must be in writing.

Undergraduate students who withdraw will lose their FLIIE funding. As such, they will be expected to pay ALL non-refundable program costs paid to UW-Eau Claire. A student who withdraws after the refund deadline would be responsible for paying the $3,353 estimated cost, which is the true cost of the program without the FLIIE subsidy. FLIIE program support is based on student enrollment and can only benefit students actually participating in program.

Souvenirs & Personal Travel
The amount of personal funds to cover souvenirs and personal travel will vary based on your shopping habits, off-program entertainment, personal spending choices, etc. We do not expect you will spend a lot on personal travel as you have limited opportunities to travel during the program due to a full calendar of events. However, multiple opportunities for souvenir shopping and more will arise and you are encouraged to travel after the program in the U.K. and Europe.

Currency Exchange
The exchange rate as of February 2020 was £1.00 (one British pound) = $1.30 in U.S. dollars (USD). You can find current exchange rates at http://www.oanda.com/currency/converter/

Credit Cards
In addition to the information on credit cards in your Study Abroad Handbook, you should be aware that credit cards might not be as widely accepted in England as they are in the U.S. Though accepted in many places, many small, locally-run businesses might not accept credit cards—particularly once you leave the relatively large urban areas of London and Winchester.

ATMs: Credit / Debit Card Use
24-hour ATMs are plentiful in the large cities you will be traveling to. The most commonly accepted U.S. cards is Visa. You can withdraw cash from an ATM as soon as you land at the airport. You should compare the international transaction fee charged by your different banks; the fee can range from 1-3%. Some travelers have reported ATMs snatching back money if you don't remove it within around 30 seconds; others have reported having to wait 30 seconds or more for the funds to be released from the machine.

HEALTH & SAFETY
In addition to the general information in the Study Abroad Handbook, you should be aware of...
the following health & safety information specific to the U.K.

**Immunizations**
The CDC recommends that travelers to England discuss updating several routine vaccinations with a doctor at least four to six weeks prior to travel. You can find the list of vaccinations here:

There are very few required vaccinations for travelers anywhere in the world. Requirements can only be placed by the government of the particular country, and because such requirements often discourage tourists, governments are reluctant to establish them. CDC recommendations should be taken very seriously. However, since many of the recommendations depend on the type of travel you anticipate doing, or the length of time you are staying, you need to meet with a doctor to determine what's best for your individual situation.

UW-Eau Claire's Student Health Services offers some routine immunizations (IG, tetanus, Hepatitis B, etc.) and health education on international travel for a small fee. To set up an appointment call: (715) 836-5360.

Often, your health insurance will cover the cost of immunizations. If your immunizations are not covered by your health insurance and you receive financial aid, you can meet with the Office of Financial Aid to inquire if these can be added to your total financial aid budget.

**BSE (Mad Cow Disease)**
In some parts of the world, cattle can get an infectious, fatal brain disease called Mad Cow Disease. In these same locations, humans have begun to acquire a new related disease that is a variant of Mad Cow called Creutzfeld-Jacob Disease (vCJD)— also a fatal brain disease. Scientists believe that vCJD is a form of Mad Cow Disease that has somehow transferred to humans, possibly through the food chain.

As you may be aware, Mad Cow Disease has been present in Britain for quite some time. The general advice if you are concerned about Mad Cow is to (1) avoid beef and beef products altogether, or (2) select beef or beef products that are solid pieces of muscle meat versus brains or beef products such as burgers and sausages. You can find more information at http://www.cdc.gov/prions/bse/.

The American Red Cross has indicated that they will restrict the donation of blood in the United States from people who have spent (visited or lived) a cumulative time of three months or more in the United Kingdom (U.K.) from January 1, 1980, through December 31, 1996, or had a blood transfusion in any country(ies) in the U.K. from January 1, 1980 to present. Please note that these restrictions may change as more is known about the emergence of Mad Cow Disease in humans. If you have questions or concerns about your ability to give blood now or in the future, please contact the American Red Cross:
http://www.redcrossblood.org/.

**Prescriptions-Allergy Shots**
Please note that allergy shots are generally not recommended by physicians in the U.K. and it will be difficult to find anyone who will prescribe or administer them.
Intro to the British Health System

You may be aware that the British health system does not have a very good reputation in the U.S. The system is actually very good; however, it operates under a different set of assumptions from the U.S. health system. U.S. students and their parents need to be aware of some of the major differences between the U.S. and British health systems.

1) The British system is set up to favor those typically most in need of medical treatment: infants / children, pregnant women, and the elderly. People within the traditional university age range are expected to be minimal users of the health system except in the case of accidents or serious illness.

2) In Britain, medical professionals do not consider a common cold / sore throat to require medical attention. Being sick with a cold for three-four days is generally considered normal and of no major concern to a person of college age.

3) Antibiotics are very rarely prescribed in Britain. British doctors point to research that shows that frequent use of antibiotics leads to mutation in germs, rendering the antibiotics useless. Antibiotics are therefore used to treat severe illness. If you use antibiotics regularly, you may wish to bring them with you.

Emergency Contacts

General emergency procedures are described in the Study Abroad Handbook, and the UW-Eau Claire faculty member will be available for consultation if difficulties arise. You will receive an emergency contact card at orientation with her cell phone number; be sure to keep it with you at all times. The information is also on the last page of this guide.

Safety in England

One thing to remember about safety in the U.K. is that they drive on the opposite side of the road, so LOOK RIGHT!! before crossing the street.

Detailed information on crime, road safety, drug penalties, and terrorist activity in the U.K. is included in the State Department Consular Information Sheet. It is highly recommended that you read through that information carefully before travel to the U.K. Safety will be discussed during orientation in England.

Alcohol & Drugs

Alcohol: The legal drinking age in England is 18. However, remember that you will want to keep in mind that cultural practices and traditional customs may be more important in determining the appropriate time, place, and circumstances for consuming alcohol than the law.

Drugs: Marijuana and other “recreational” drugs are widely available in England and highly illegal. Possession of any amount of cannabis is prosecutable for up to 5 years in prison along with rather hefty fines. For harder drugs, the penalties are even more severe.

Sexual Harassment & Assault

Harassment: Female travelers have reported everything from staring, lewd and suggestive comments to catcalls, and groping. Often these incidents occur in crowded areas such as street markets, bus / train stations, and public streets. Women travelers in England are advised to respect local dress and customs as a way to minimize harassment.

Assault: Crimes against women including rape have also been reported in various countries in Europe. Suggestions to maintain stringent security precautions include:
• Avoid public transport after dark without the company of known and trusted companions.
• Restrict evening entertainment to well-known venues.
• Avoid isolated areas any time of day.
• Keep your hotel room number confidential.
• Lock your hotel room and use deadlocks/door chains while in your room.
• Hire only reliable cars and drivers. Avoid traveling alone in cabs at night.
• Keep conversations with unknown men short—getting involved conversations with unknown men can be interpreted as a sign of sexual interest.

**REQUIRED DOCUMENTS**

*Passport and additional visa information is included in your Study Abroad Handbook.*

**Passport**

General passport information is found in your *Study Abroad Handbook*, but you will need a valid passport with an expiration date more than six months after the end of the program.

**Visa for the U.K.**

A visa is official permission to temporarily reside in another country and is granted by the government of that country. At the moment, the U.K. does not require U.S. citizens to obtain a travel visa for a visit under 180 days. However, it is ultimately your responsibility to keep up-to-date about visa requirements for your host country. Student visa information and updates for the U.K. are available at [http://ukinusa.fco.gov.uk/en/visiting-uk/visas](http://ukinusa.fco.gov.uk/en/visiting-uk/visas).

**Student Visitor Visas**

However, as of March 31, 2009, U.S. citizens who are studying in the U.K. for up to six months may enter the U.K. to study under two categories of visas: (Non-PBS) Student Visitor or PBS Tier 4 Student Visa. As you are participating in a study abroad program sponsored by a U.S. institution, you can only enter the U.K. under the **Student Visitor Visa**. This category is for students who are 18 years or older who wish to study in the U.K. for 6 months or less. Under this category, students may not work (including internships, work-placement, or work-study, volunteer work, or any type of practical experience).

Students are not allowed to switch their status or extend their stay while in the U.K. However, you must be prepared to show the following documents to the Immigration Officer at the airport:

1. A valid U.S. passport that will NOT expire while you are in the U.K.
2. Acceptance to a course of study at an accredited educational establishment. UW-Eau Claire will provide you with this letter documenting your participation in a study abroad program before you leave.
3. Proof of the necessary funds to pay for your course fees and support yourself for the entire period you intend to stay. This can be in the form of scholarships, grants, or other financial aid award letters as well as bank statements in your name which are dated no more than one calendar month before you arrive in the U.K.

UW-Eau Claire will also provide you with this letter stating that tuition, room, and fees were paid prior to departure.
You will receive this letter in December.

4. Proof of onward journey. You must demonstrate your willingness to leave the U.K. once your program of study is completed by showing return tickets or an itinerary with your name and information on them.

Upon satisfying the Immigration Official, you will receive a Student Visitor stamp / endorsement in your passport when you present your documents. If you travel outside the U.K. during your course of study, you must show the Immigration Officer your Student Visitor stamp / endorsement and the acceptance letter when re-entering the U.K.

For more information, please visit the UKBA site: http://www.ukba.homeoffice.gov.uk/visas-immigration/visiting/student/

Special note on arriving via Ireland. The U.K. Border Agency indicates that students arriving in the U.K. via Ireland should actively seek out an Immigration official upon arrival in the U.K. to ensure that their passport is stamped with the Student Visitor stamp / endorsement. We have learned from one of our U.K. partners that an Immigration Officer will NOT be present when students arrive in the U.K. via Dublin or other Irish cities. As such, students will not receive a stamp in their passports and will only be permitted to stay three months in the U.K. as a visitor. Visitors cannot switch to student status if they enter as a tourist. Therefore, to avoid this problem, you must not enter the U.K. via Ireland.

If you are NOT a U.S. citizen, go to the following Website: http://www.ukba.homeoffice.gov.uk/visas-immigration/do-you-need-a-visa/ to find out if you need a visa and to download an application form if you do.

Visas for Travel to Other Countries

If you plan to travel outside of the U.K. while abroad, verify visa requirements for each country you will visit by contacting the nearest consulate for that country, or your travel agency. Most Western European countries do not require U.S. citizens to have a visa for tourist travel of fewer than three months.

PACKING TIPS

In addition to the general packing information in the Study Abroad Handbook, you should know the following about England.

Clothing & Weather

We recommend that you pack light, bringing comfortable casual clothing and good walking shoes. In June, July, and August, average temperatures range from 50 to 75 degrees F. Summers in England are cooler are than summers in Wisconsin, so you will need a sweater or two and a light jacket. You should also expect rainfall.

You will be traveling together on trains or buses that do not have a lot of space for luggage and the group will walk from train stations to your accommodations, so a small wheeled suitcase will probably serve you best.

Plan for all types of weather. Bring an umbrella and a jacket as well as clothes that are comfortable in warmer weather.
All your belongings should fit into medium-sized suitcase with wheels or a travel backpack. Bring the minimum amount of clothes that you can mix and match and layer. You should plan to wear the same clothes more than once (or twice)! Related, please do not worry about fashion. The group will all be wearing the same clothes over again. You can do laundry in Winchester and / or London. Or, if you bring old clothes that you decide not to bring home, you will have more room in your bag for souvenirs!

**Appliances**
The standard electrical current throughout Europe and the U.K. is 220 volts. U.S. appliances such as hair dryers and electric razors run on 110 volts—meaning that if you plug a U.S. device built to function on 110 volts into an outlet with 220 volts of electricity, you will likely burn up your appliance. Therefore, if you plan to bring any appliances, you will likely need a converter (that adjusts the amount of electricity entering the appliance) and a plug adapter (to allow your device to fit into the electrical outlet in the wall). You may also choose to simply buy the appliances you need when you arrive in England—though the cost of living (and prices!) in London are rather high.

**Other Items to Bring**
The following is a partial list of recommended items to pack:

- **Shoes / Socks:** Bring good walking shoes (in addition to the ones you are wearing) and make sure all shoes are well broken in! Again, wool socks are key to your comfort in the chilly London summer. Also, bring flip-flops for the showers in the hostel.
- **Sleepwear:** Bring a lightweight bathrobe and / or pajamas so that you have something you can wear going down the hall from your room to the bathroom. Most hostels and dorms are rarely equipped with a private bathroom inside the room.
- **Travel umbrella**
- **Personal toiletry articles (not all products, especially feminine, will be available for purchase in England)**
- **Medications – both prescription and over-the-counter medications in their original containers. Past students recommend bringing your own pain relievers, lotions, and cold / flu medicine.**
- **Travel size tissues, wet wipes / hand sanitizer (travel size)**
- **A small purse or bag to carry tissues / toilet paper, and sanitizer**
- **A plastic ID holder is useful for multiple-use tram tickets etc. which need to be kept handy and pulled out quickly**
- **Plastic storage / sandwich bags for small articles**
- **Money belt**

**ARRIVING IN ENGLAND**

**Fox Travel**
All students on faculty-led immersion programs sponsored through UWEC are required to purchase their international flights through Fox World Travel. Please contact a Fox World Travel agent (open 7:00am-5:30pm on weekdays) through one of the options below:
- Call toll-free (866) 230-8787 (option 4)
- Email uwgroups@foxworldtravel.com with the Group Code in subject line
- Use GROUP CODE: 09UW5157

Have ready:
- Name exactly as it appears on your passport
- Passport number and expiration date
• Credit card number to charge

**Travel Arrangements**

Travel arrangements are the responsibility of each student. The Immersions Office encourages you to consider traveling with another program participant on your flight to and from England—a travel companion can make arrival in a new country feel safer and much less intimidating! You will have the opportunity to discuss travel arrangements with your fellow study abroad participants during orientation.

Students must fly into **London Heathrow Airport**. This will likely be an overnight flight and, therefore, you will need to book a flight that departs on January 4 and arrives into London-Heathrow by **9am on Saturday, January 5**. Once you have bought your ticket and have received your itinerary, you need to provide a copy of the itinerary to the Immersions Office and your faculty leaders prior to departure.

**Plan your return flight on July 24, but schedule your departure after 1:00pm as you will need to travel from Tintagel to Heathrow—which is about a 5-hour ride, and you will need to be at Heathrow more than 2 hours prior to your departure.**

Whenever you buy your ticket, be sure it has a low cancellation fee; UW-Eau Claire will not reimburse students for tickets should the program be cancelled. You may wish to purchase travel or trip cancellation insurance when you purchase your ticket, in case your plans change unexpectedly. Discuss your options with your Fox Travel reservations agent and be sure you know exactly what the policy covers. Many policies are very restrictive in what they will reimburse.

**Getting from Heathrow to Paddington Station**

Once you land at Heathrow, you will need to find your way Paddington Train Station in London. Here are the directions to get from Heathrow airport to Paddington Station via the Heathrow Express train link:

1. **After you clear immigration, please head to the "Arrival Hall". Look up and follow the signs to the London Underground. This will involve going down some stairs, escalators, or elevators. Luggage carts are not allowed on stairs or escalators so pack light.**

2. **Once you find the London Underground ticket window, purchase tickets on the Heathrow Express to Paddington Station ([https://www.heathrowexpress.com](https://www.heathrowexpress.com)) if you don’t already have a ticket. Once again, no luggage carts are allowed when you enter the train platform.**

3. **Keep your ticket handy and get on the train. Don’t worry: you can't go the wrong way or get on the wrong one. In approximately 15 minutes you will arrive at Paddington Station.**

4. **Exit the train by inserting your ticket in the turnstile.**

5. **Find your way to the famous Paddington Bear bench near Track 1 and meet the group there.**

6. **Your faculty leaders will meet you there and take you to Winchester from Paddington Station.**

SETTLING IN
In Winchester, you will be staying in the dorms at the University of Winchester and is located in the heart of the historic center of Winchester, itself.

During the program, you will be staying at the Smart Hyde Park View hostel in London’s famous West End. All costs for accommodations are included in your program fee which you will pay directly to UW-Eau Claire. The hostel is just minutes away from Hyde Park (the “Central Park” of London) and two London Underground metro stops: Bayswater and Queensway.

About Hostels
Hostels come in a variety of forms, sizes, degrees of luxury, and more—just like regular hotels. Hostels are, however, generally much more communal than hotels and therefore much cheaper than hotels—making them a perfect form of lodging for students and backpackers. The hostel could include a common kitchen, bathroom, or communal space to watch TV, eat food, do laundry, etc.—much like a college dorm. In short, there is nothing inherently “good” or “bad,” about a hostel; it’s just a different form of lodging than most U.S. Americans are used to. Just be sure to read the hostel rules upon entering. Rules often address quiet hours, smoking, and / or restriction of alcohol and / or food in the rooms, among others. You will be responsible for paying for any damages or fines incurred.

MEALS
During the program, you will stay at a few different types of accommodations including at Winchester and hostels and hotels while traveling. All costs for accommodations are included in your program fee which you will pay directly to UW-Eau Claire. Breakfast is included at the hostel in London. However, you will need to find or prepare your own meals in Tintagel. And though breakfast is not included with your housing at Winchester, the dorms offer a small kitchen that you may use to cook in.

Common Foods Found in the U.K.
- Fish and Chips: Fried fish served with fries (similar to a Friday Night Fish Fry)
- A variety of toppings for chips (French fries) such as salt and vinegar or curry.
- Shepherd's Pie: Lamb cooked in a casserole dish with a layer of toasted mashed potatoes.
- Bangers and Mash: Sausages & mashed potatoes
- Jacket Potato: Baked potato filled with cheese, bacon, onions, and much more!
- Yorkshire Pudding: Popover served along roast beef with gravy on top.
- Cadbury Chocolate: An absolute must.
- Doner Kebabs: Found at the kebab shops. We call them gyros. Cheap and delicious!
- Cornish Pasty: Pasty filled with vegetables and minced beef.
- Fried Milky Way Bars! Almost anything can be found fried—just check out the menu at the nearest fish and chips shop.

COMMUNICATION
Information on accessing/forwarding your UW-Eau Claire email address is in your Study Abroad Handbook.

Time Difference
The United Kingdom is six hours ahead of Eau Claire. For example, when it is 1:00 PM in Eau Claire, it is 7:00 PM in London.
Telephone Information

From the U.S. to England: You must first dial 011, which is the international dialing code. Next, dial 44 which is the country code for the entire U.K., and then the rest of the number to reach a specific city and location.

From England to the U.S.: Dial 001+ area code + number. International phone calls dialed from any hostel phone are not free and you will be responsible for any international calls made from the hostel. The cheapest and most accessible means of making international calls is through the free Wi-Fi available at the hostel (though it may be a bit slow). Downloading free Wi-Fi-based communication apps like WhatsApp, Viber, Signal, or Skype allow you to make international calls for free via Wi-fi to anyone who also has that app.

Computer / Email Access

Your best bet to access the Internet is through the free wi-fi network available at the hostels, as noted above. Within walking distance from the hostel are plenty of cafes, coffee shops, pubs, and restaurants that will also likely have free Wi-Fi available. Whether you bring your laptop is your own liability and decision.

Language and Lingo

As you know, English is the native language spoken in England. Don’t let that fool you, though. Many words can mean something quite different from what you are used to! British words and accents might be a bit confusing at first, but this guide will help you get the hang of it! You can also check out this website: http://septicscompanion.com/

High Street  Main Street
Holiday      Vacation, trip
Jumper       Sweater
Quid         Pound
(p as in money: similar to use of “buck” for dollar)
“p” (“pea”)  Penny / Pence (plural)
Pants        Underwear
Queue        Line (stand in line)
Revise       Study (for an exam)
Tea time     Dinner time
Trousers     Pants
Trainers     Sneakers
Yank         American
“zed”        the letter “Z” (“zee”)

Where am I going? England? Great Britain? Or the United Kingdom?

You are actually going to all three simultaneously. “The United Kingdom is a country that consists of the large island Great Britain and Northern Ireland. In fact, the official name of the country is ‘United Kingdom of Great Britain and Northern Ireland.’

Great Britain is the name of the island northwest of France and east of Ireland that consists of three major somewhat autonomous regions: England, Wales, and Scotland. Therefore, England is part of Great Britain, which is part of the United Kingdom. The U.K. includes England, Wales, Scotland, and Northern Ireland” and a number of smaller territories around the world.

For a more in-depth, yet entertaining, explanation of the differences between these
regions, visit:
