- * Program fees are subject to change. Semester at Sea's Board of Trustees will confirm spring 2020 rates in May 2019.
- **The fuel fee is subject to change depending on global cost fluctuations. Semester at Sea has the right to make changes to this amount. They will notify you directly if they do. It will be due 90 days prior to the program beginning.
- ***Yellow fever vaccine is required for entry into some countries on the current spring itinerary. It may not be covered by all health insurance plans and the cost is subject to change. It is also in short supply so you may need to travel to another city to have the shot administered.
- Please note that these **costs are estimated for the term above** and are intended to be used for planning purposes. Costs can fluctuate as a result of changes in exchange rates, tuition or airfare increases & varying personal lifestyles.
- Flight estimate is from Student Universe for a similar length of ticket but not the actual dates. There is no guarantee that a similar rate will be available.
- If planning for a future academic year, please add 7%.
- **Optional personal travel** - is not included in this estimate. This cost estimate does NOT take into consideration optional field programs students may sign up for.
- ***Minnesota residents add reciprocity; residents of other states add \$900 in non-resident fees.**

Important Notes for Student with Financial Aid

- If you receive financial aid, **only the costs you pay to UWEC will be automatically paid from your aid.** If you receive more aid than what you need to pay to UWEC, you will receive a refund. You are responsible for paying all other costs directly to the vendor(s) involved.
- If you incur travel costs to apply for your student visa, or there are required lab, books/materials fees for your specific courses are higher than the estimate, these costs **may be added to your financial aid budget.**
