

## WINTERIM SHORT-TERM PROGRAM COST ESTIMATES at a GLANCE

The estimates below include all required costs you should anticipate for your academic term abroad, not just what you will pay to UW-Eau Claire. The estimates include tuition, fees, housing, food, required documents, international health insurance, roundtrip transportation, books and personal expenses. They do not include optional travel you may choose to do. You will find a more complete breakdown of all estimated expenses in the "Cost" section of each program brochure on our Web site.

PROGRAM	LENGTH in WEEKS	CREDITS	COST*
Belize, Biology Majors-Winterim	2	3	1,717**/**
Guatemala, Social Justice-Winterim	2	0	1,865*
