ALL Spanish & Education requirements except for student teaching.	Spanish as a Foreign Language Teacher Training 1	middle to end of July	1 cr Spanish Upper Division elective

The course is aimed at graduates or students in their final year who wish to focus their training and professional career towards teaching Spanish as a foreign language. The aim of the seminar is to provide future teachers of Spanish as a foreign language with key techniques and useful tools for application in the classroom. The goal is to establish the basis for up-to-date, well-grounded, creative and efficient teaching.
