

USAC Poland – UWEC Course Equivalencies for Summer 2020, Fall 2020, Spring 2021

If the course is only offered in one semester, the semester is noted in the “Term” column. You can check the USAC Web site for course descriptions and pre-requisites: <https://usac.edu/study-abroad-programs/poland/krakow/courses>. This will be updated as more courses are evaluated for credit. The UWEC transfer wizard takes precedence if there is a discrepancy in the equivalency.
