

USAC Florianópolis, Brazil Course Equivalences for Fall 2020-Spring 2021

If the course is only offered in one semester, the semester is noted in the "Term" column. You can check the USAC Web site for course descriptions and pre-requisites: <https://usac.edu/study-abroad-programs/brazil/florianopolis/courses>. This will be updated as more courses are evaluated for credit. The UWEC transfer wizard takes precedent if there is a discrepancy in the equivalency. All courses are taught in English, unless otherwise stated. **ALL students enroll in an intensive language course, during the first four weeks of fall or first five of spring, then after the intensive, they can take additional, optional language courses.**
