

## Harlaxton Study Abroad (University of Evansville at Harlaxton)

### **HARLAXTON FALL NURSING COURSE EQUIVALENCIES & REGISTRATION**

**For Students who would be in the 1<sup>st</sup> semester senior nursing courses in a fall semester.**

#### **Eligibility**

In order to be eligible, one must:

- Be in the first semester of the senior year of the nursing program during a fall term.
- Be in good academic standing.
- Have a minimum resident GPA of at least 2.50 and semester GPA of at least 2.25, to be in good standing in the nursing program.

#### **Procedural Notes:**

1. Application to the Harlaxton program must be made through the UW-Eau Claire Center for International Education one year in advance of the anticipated semester abroad.
2. Prior to the application to the Harlaxton program, the student completes the Department of Nursing Program Plan Change Form. Please contact your adviser or Dr. Debra Jansen, Associate Dean, for assistance (jansenda@uwec.edu).
3. Arrangements must be made with the traditional undergraduate program director in the spring semester prior to the fall Harlaxton experience for the winterim one credit directed study.
4. Students attending the Harlaxton program will be registered into a specific NRS 477 clinical section in order to facilitate completion of NRS 446. They complete the HESI RN Pediatric specialty exam near the end of the Senior 2 semester.

#### **Course Descriptions:**

**NURS 463 Professional Leadership (3)** Focuses on principles of leadership and management as they are practiced in nursing. Concepts of organizational behavior, transformational and transactional leadership are emphasized along with client advocacy, change agency, power, and politics.

**NURS 467 Dynamic Integration: Health Promotion within the Community (3)** Focuses on individuals, families and groups within the community. Emphasis on vulnerable populations, their health and the provision of health care. Examines health of the community including communicable disease, environmental health hazards, mortality and morbidity and epidemiology. Placement: Senior. Prerequisites: All 300 level nursing courses. Co requisite: Nursing 468. Fall.

**NURS 468 Nursing Modalities for the Community (4)** Clinical laboratory includes instruction and practice with the modalities of teaching, counseling, alternative health, social support and augmented social support. Focuses on vulnerable groups within the community who require health promotion and/or suffer chronicity. Primary emphasis on teaching and augmented social support. Prerequisites: All 300 level nursing courses. Course includes care of adults and children in the community. Co requisite: Nursing 467. Fall.

**ID 282 or ID 382 The British Experience from the Celts to the Present Day (6)** Two British identity and culture courses, taken at either the 200 or 300 level: A core British Studies course and an interdisciplinary seminar, examining themes such as travel, language, ethnicity, architecture, and communication. Most nursing students register for ID 282. ID 382 is intended for students needing upper division liberal education credit; it involves additional writing assignments in comparison to 282. ID 382 also is available for University Honors credit. These courses typically provide GE-III or LE-K2

elective credit (students need to verify with the Transfer Credit Wizard in CAMPS and with the Center for International Education (CIE) prior to enrollment.)
