## Scholarships

The scholarships on this page are from the UW-Eau Claire Foundation or the Viennese Ball and are available to degree-seeking, undergraduate UWEC students accepted to study on a UWEC study abroad program, and who meet the specified qualifications.

Number of awards is per year, not per term. Amounts are approximate, based on the previous year's data. Need-based eligibility is based on your Expected Family Contribution (EFC) as determined by the Free Application for Federal Student Aid (FAFSA). Applicants with an EFC of \$12,000 or less will automatically be considered for need-based scholarships; others may be considered based on information provided on the application form.

## How to Apply

The application and selection process for the scholarships in this table is administered by the Center for International Education. You will apply through the Gold for Blugolds Scholarship Network after you have been accepted into a UWEC study abroad program. <https://uwec.scholarships.ngwebsolutions.com>
