## Scholarships for Study Abroad

Updated Feb 2018

# UW-Eau Claire

## Scholarships

The scholarships on this page are from the UW-Eau Claire Foundation or the Viennese Ball and are available to degree-seeking, undergraduate UWEC students accepted to study on a UWEC study abroad program, and who meet the specified qualifications.

Number of awards is per year, not per term. Amounts are approximate, based on the previous year's data. Need-based eligibility is based on your Expected Family Contribution (EFC) as determined by the Free Application for Federal Student Aid (FAFSA). Applicants with an EFC of \$12,000 or less will automatically be considered for need-based scholarships; others may be considered based on information provided on the application form.
